A REPORT OF GUEST LECTURE

Topic: "Value of Education and Environment Science for Personality Development"

Date: 30th January 2025

Venue: Seminar Hall, Anandi Pharmacy College, Kale

Organized by: Co-curricular Committee

1. Aim:

To provide an inspiring session that highlights the **importance of education and environmental science** in shaping the personality and responsibilities of pharmacy students.

2. Objectives:

- To explain the **role of education** in academic, professional, and personal development.
- To highlight **environmental awareness** as a core element of sustainable growth.
- To motivate students to imbibe **moral, ethical, and cultural values** as future healthcare professionals.

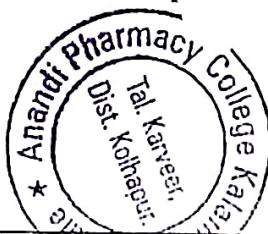

3. Resource Person:

Mr. S. M. Nerli

(Educationist & Motivational Speaker)

4. Session Highlights:

- Students developed **awareness of value-based education** and its significance in professional life.
- The lecture instilled **environmental responsibility and cultural sensitivity** among participants.
- It bridged the gap between **academic knowledge and real-life responsibilities**.
- Positive student feedback confirmed the **impactfulness of the session**.

Guest Lecture on “Value of Education and Environment Science for Personality Development”

The program began with the **felicitation of Mr. S. M. Nerli**, the distinguished resource person, by Principal Dr. S. G. Killedar sir, Vice-Principal Dr. R. S. Adnaik sir, and faculty members. The gesture acknowledged his valuable contribution and motivational guidance to the students.

A guest lecture was organized at Anandi Pharmacy College, Kalambe Tarf Kale, on 30th January 2025 for B. Pharm and D. Pharm students. The session was conducted by Mr. S. M. Nerli on the topic “**Value of Education and Environment Science for Personality Development.**”

The resource person highlighted the importance of education as a foundation for personal and professional success. He emphasized that values, discipline, and moral conduct are essential in shaping an individual’s character. He also explained how environmental science and awareness play a crucial role in sustainable growth and the responsibility of educated citizens towards the environment.

The lecture was highly interactive and inspiring. Students actively participated in the session and shared positive feedback. The program enriched their knowledge and motivated them to focus on holistic development, blending academic excellence with moral and social responsibilities.
