## **WORLD PHARMACIST DAY : 2025-2026**

### **“Think Health, Think Pharmacist”**

#### **1. Introduction:**

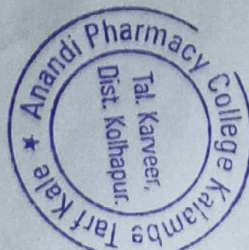

World Pharmacist Day is observed annually on **25th September** to recognize the critical role pharmacists play in healthcare systems worldwide. This year, the theme “*Think Health, Think Pharmacist*” highlighted the pharmacist’s multifaceted responsibilities in promoting health, preventing disease, and ensuring the safe and rational use of medicines. Pharmacists today are not only dispensers of medications but also **healthcare educators, patient counselors, clinical researchers, and integral members of healthcare teams**. In a rapidly evolving healthcare environment, they play a pivotal role in **adverse drug reaction monitoring, chronic disease management, patient education, and preventive healthcare**.

At **Anandi Pharmacy College, Kalambe**, the 2025 celebration aimed to raise awareness among students, healthcare professionals, and the community about the pharmacist’s role in improving public health. The event was organized by **Third Year B. Pharm students** under faculty guidance, combining educational, creative, and community-focused activities.

#### **1. Morning Session**

##### **1.1 Flag Hoisting and Pharmacist Oath:**

The day began with flag hoisting and banner display at the college premises. All teaching staff and students gathered for the Pharmacist Oath, reaffirming their commitment to ethical practice, patient safety, and social responsibility as future healthcare providers.

### 1.2 Health Awareness Rally:

A rally was conducted covering the route from APCK premises to Kalambe village, engaging more than 20 local pharmacists, 250 students, and community members.

### 1.3 Health Awareness Rally:

A rally was conducted covering the route from APCK premises to Kalambe village, engaging more than 20 local pharmacists, 250 students, and community members.

- **Banners and Placards:** Displayed slogans such as *“Think Health, Think Pharmacist”* and *“Safe Medications Save Lives.”*
- **Flyer Distribution:** Informative leaflets were shared with villagers, highlighting safe medication practices, rational drug use, and the importance of consulting qualified pharmacists.
- **Community Engagement:** The interactive rally helped strengthen the relationship between pharmacists and the local community.

### Street Play Highlights:

#### **Theme: “Think Health, Think Pharmacist”**

Students, along with local pharmacists, performed a street play lasting approximately 8–10 minutes, designed to showcase the vital role of pharmacists in healthcare. The performance featured real-life scenarios highlighting pharmacist-patient interactions, rational use of medicines, medication counseling, and the pharmacist’s role in promoting community health. The content for the street play was based on topics circulated in the PCI circular and shared with participants via WhatsApp groups, ensuring relevance and compliance with educational guidelines. The performance successfully engaged the local community, including families, villagers, and students, providing a platform for discussion on the importance of pharmacists beyond dispensing medicines. Following the play, a Q&A session allowed the audience to interact with students and pharmacists, sharing experiences and clarifying doubts.

## 2. Afternoon Session

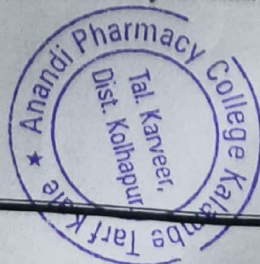

The afternoon session of World Pharmacist Day 2025 was conducted as a **formal function** in the college seminar hall. The event commenced with a **photo puja ceremony**, invoking blessings for the successful celebration of the occasion. For the program Honorable Chairman of Anandi Shikshan Prasarak Mandal, **Prof. Satish Desai, Secretary hon. Dr. Mrs. Vidya Desai, beloved Principal Dr. S. G. Killedar and respected Vice Principal Dr. R. S. Adnaik** were present. A variety of activities were conducted, including **E-poster and slogan competitions (inter-collegiate level), logo designing competition (college level), street play competition, a health awareness rally in Kalambe village, and a tree plantation drive.** The **E-poster, slogan, and logo competitions** showcased students' creativity and highlighted the significance of the pharmacy profession. The session featured **student speeches**, where students highlighted the importance of pharmacists in modern healthcare, discussed their roles in patient counseling, medication management, and community health awareness, and reflected on the significance of the theme "*Think Health, Think Pharmacist*". The event was expertly anchored by Third Year B. Pharm students, Utkarsha Bhasar and Pradip Gavade. They guided the program smoothly, introducing each session, welcoming dignitaries, and coordinating transitions between activities.. The function concluded with vote of thanks delivered by Ms, Mayuri Rohile, expressing gratitude to the dignitaries, faculty, and all participants for their support

### **Conclusion**

The rally and street play were successful in raising awareness about the importance of pharmacists in healthcare. The engaging format fostered community interaction and highlighted pharmacists as vital partners in health. The event reinforced the message that pharmacists are not just dispensers of medication, but essential healthcare providers dedicated to patient well-being.

### **Acknowledgments**

We extend our heartfelt thanks to all participants, organizers, and volunteers who made this event possible. Special appreciation goes to Third year students and cultural and co-curricular heads for their generous support.

## State Level Mega Competition on the occasion of *World Pharmacists Day 2025*

Anandi Pharmacy College, Kalambe Tarf Kale, organized a **state-level mega competition on the occasion of World Pharmacists' Day and National Pharmacovigilance Week on September 25, 2025**. The event was coordinated under the guidance of the Principal, Vice Principal, and Co-Curricular Committee.

The competitions were conducted with the aim of fostering creativity, encouraging awareness regarding the pharmacist's role in healthcare, and highlighting the importance of pharmacovigilance in ensuring safe medicine use.

Two major events were organized:

1. **E-Poster Making Competition**
2. **Slogan Writing Competition**

Both competitions received enthusiastic participation from students of different pharmacy colleges across Maharashtra.

The **E-Poster Competition** revolved around themes such as:

- *Telepharmacy: Expanding Access to Rural and Remote Populations*
- *Pharmacists as First Line Responders in Public Health Emergencies*
- *Artificial Intelligence for Adverse Drug Reaction (ADR) Detection*

These themes encouraged students to explore innovative ideas, design impactful visuals, and present their perspectives on the evolving roles of pharmacists in modern healthcare.

The **Slogan Writing Competition** included themes like:

- Your Health, Our Priority – Pharmacist at Every Step
- Pharmacist: The Backbone of Healthcare
- Think Safe Medicines, Think Pharmacist

This activity allowed participants to express their thoughts in short, catchy, and powerful slogans. Many slogans reflected the significance of pharmacists as accessible healthcare professionals and their commitment to patient safety.

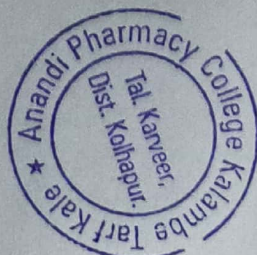

The **registration for the competitions was free of cost** and was completed online. The **last date of registration was 26<sup>th</sup> September 2025**, and the **results were declared on 27<sup>th</sup> September 2025**. Entries were carefully evaluated based on creativity, originality, relevance to the theme, and presentation.

The **winners of both competitions** were awarded with **Certificates and Trophies**. The prize distribution highlighted the efforts of participants and motivated them to continue contributing towards awareness in the pharmacy field.

The event was successfully conducted under the guidance of:

- **Chief Patrons:** Prof. Satish P. Desai (Chairman) & Dr. Vidya S. Desai (Secretary)
- **Principal:** Dr. S. G. Killedar
- **Vice Principal:** Dr. R. S. Adnaik
- **Convener:** Ms. Rutuja J. Patil
- **Committee Member:** Ms. Pooja Dalavi, Mr. Akshay Patil, Assistant Professor

The event concluded with a vote of thanks to all participants and committee members. It was indeed a grand success, spreading the message of safe medicines, responsible healthcare, and the vital role of pharmacists.
